USATF Mid-Atlantic Executive Committee Meeting

February 12, 2014
Severance Room, Villanova University

In attendance: Cynthia Young, Annette White, Rogers Glispy, Earl Edwards, Doreen McCoubrie, Paul Spencer

President Cynthia Young called the meeting to order at 7:40 p.m.

Secretary's report: Paul Spencer reported that all documents for accreditation were filed to the USATF National Office before the deadline.

Treasurer's report: The Net Worth Report is attached. Rogers Glispy reported that the financial records were up to date except for two stop-payments and one bill from USATF. Frank Palombaro, one of our officials, will assist with the 990EZ form and ensure that we meet the May 15 deadline.

Financial secretary's report: The Budget and Expenses reports are attached.

President's report: Cynthia reported that Kelsey Mims, our assistant at the USATF national office, is preparing a rough draft of job descriptions for our officers, ahead of the elections later this year. Doreen McCoubrie noted that the processes for her position are in the USATF handbook. Cynthia said Kelsey is also creating a pilot program for an internship, which would be sent to colleges. Possible assignments for an intern could be social media or sports marketing. Cynthia said that Kelsey works for Mid-Atlantic 12 hours per week.

Vice president's report: No report.

High Performance report: Rogers Glispy discussed how we could obtain use of hurdles, which are needed for championships. If we owned the hurdles we would need to store and insure them. Instead, we could donate hurdles to the Widener University track and field program. Widener would maintain and insure the hurdles, which would be available for our use.

Rogers said the association Outdoor Track and Field Championship would be June 8. He said a club competition is being considered, but a holdup is how to score the competition. Another issue is whether to accept entries online. Annette White suggested using online entry but keeping the alternative of paper entries available this year. Rogers said the championships would be hosted by the High Performance Committee. In the future, if no organization steps up to serve as host six months before a meet, the committee will host.

LDR report: No report.

Youth Athletics report: Nelson Berrios reported that about 200 athletes attended our indoor championship on Jan. 19 at Widener University, compared with about 150 last year. His report is attached.

Membership report: Doreen McCoubrie's report is attached. As of Feb. 12, we had 1,356 members, 89 clubs registered for 2014 and 76 sanctions issued for 2014.

Budget and finance report: Paul Spencer said Bob Delambily had requested that all committees submit budgets to him by the end of February, so he could prepare a budget for the March meeting. He will work with Cynthia on the Administration budget. He said that if any change is made in the method of allocating revenue to the committees, it should be implemented next year.

Coaching Education report: Rogers said Dave Pavlansky has taken Andrew Allden's role in coaching education. The next Level 1 Coaching School will be at Villanova University March 21-23. He also said Mid-Atlantic should consider taking on a greater role in coaching education.

Officials report: Earl Edwards said the Annual Officials Meeting will be April 6. His report is attached.

Communications report: Paul Spencer's report is attached.

The committee agreed to remove home addresses from contact listings on our website.

The meeting adjourned at 8:55 p.m.
