- * Any **2018 USATF Mid-Atlantic Association Club** is eligible to field a team.
- * Runners identify their club team affiliation when they submit their individual USATF membership for 2018. Team members must be registered USATF members **before** the event in which they are participating. Registrations are done online at usatf.org.
- * *Unattached* runners who have already registered for 2018 should notify USATF Mid-Atlantic in writing if they wish to be affiliated with a club. E-mail Doreen McCoubrie at doreencoubs@aol.com.
- * USATF rules concerning club changes will be observed - a 90-day waiting period is required.
- * Team scoring will be based on 5 runners from the same club finishing the race. Each team must include at least one female. Team scores will be calculated for the entire series in 2018.
- * Team scores will be determined by adding the scoring members' age-graded percentages. We use the 2015 World Masters Athletics tables to calculate those percentages.
- * Team members may obtain their 2018 Mid-Atlantic membership at any time before the last race of the series.
- * Year end cash awards will be: 1st - \$650, 2nd - \$500, 3rd - \$400, 4th - \$300, 5th - \$200. In order to qualify for a cash award, a club must compete and score in at least 4 of the 8 races in the series.
- * Runners must compete in a minimum of three (3) races in order to be considered for Individual Age Group awards. **Age Group for the year will be determined by runner's age at the first race that he/she runs in the series.**
- * The USATF Mid-Atlantic Off-Road Series Club Challenge is a separate competition and is not affiliated with the host race's team competition. See our website at www.mausatf.com for more information.
